

## **SPONSORSHIP OF A CAT OR DOG**

If your lifestyle does not allow you to own a pet, you can still be involved with the Animal Protection Society by sponsoring an animal.

Many people find financial sponsorship easiest, which helps the animals out in many ways.

By sponsoring one of our animals, it enables some extra pampering that can be done for that animal.

You can organise a sponsorship as a gift for someone who would like to have a pet but is unable to.

Sponsorship is a great way to give knowing 100% goes back into our animals.

A happy pet is easier for us to find a loving home for.
